This Special Consideration Profile provides an opportunity for you to share any extenuating circumstances that have adversely affected your high school record. Completion of this form allows these circumstances to be considered while reviewing your application and academic record for admission. Please note that submission of this form is voluntary.

It is preferable to use a word processor to produce your responses. If this is not possible, legible handwritten submissions will be accepted. Illegible submissions will not be reviewed. The Admissions Committee will take into consideration the content of your answers, as well as the manner in which you express yourself and your attention to spelling and grammar.

The following documentation should be provided:

- **your complete high school transcript and**
- **documentation such as medical certificates or letters of reference from counselors, medical professionals, teachers or clergy.**

Those with a diagnosed learning disability must provide assessments and standard scores for all subtests, and a statement from your high school, in addition to the completion of the Special Consideration Profile. Please limit your answers to a half page for each question.

Question 1A. Please outline the circumstances that may have adversely affected your academic performance, particularly during your final high school year. These circumstances could include such things as: disability, personal illness, required employment, financial circumstances, family illness, or other family matters. It is important to note dates and times as the Admissions Committee will review the circumstance in relation to your academic work and its effect on major projects, exams, or regular class work. Failure to

submit complete documentation may result in a delay in the decision or a negative decision by the Admissions Committee.

Question 1B. Please describe how you are managing your situation or how it has been resolved.

Question 1C. Please indicate if you will be taking additional courses for the purposes of upgrading your Grade 12 courses. If so, indicate the courses you will be taking and the date by which they will be completed.

Question 2. Indicate the program you plan to study at Huron and how it relates to your long-range personal goals.

My signature indicates that all responses are factual and were prepared entirely by me.
