

UNIQUE *Religion & Theology* Courses

FIRST-YEAR BACHELOR COURSES, 2018-19

Religious Studies 1010f (fall)

RELIGION, THEOLOGY & GLOBAL ISSUES

We'll examine religion's important and influential role as a shaper of reality by delving into the relationships between religion and global issues.

Religious Studies 1015g (winter)

RELIGION & DIFFERENCE

In this intro to religion and theology, consider how religious beliefs and practices draw distinctions, create boundaries, and establish limits. How do we view those who are different from us?

Hebrew 1040a (fall) & 1041b (winter)

INTRO BIBLICAL HEBREW

Intro to the writing system and grammar of Biblical Hebrew for those with no previous knowledge of the language.

Religious Studies 1029 (full year)

INTRO TO NEW TESTAMENT GREEK

Equip yourself with enough grammar and vocabulary so that you could read the New Testament on your own. For students with no prior knowledge of the language.

Arabic 1070a (fall)

QURANIC ARABIC FOR BEGINNERS

Acquire core vocabulary and dive into basic grammar of the classical Arabic necessary to understand short Quranic chapters.
